DEAR FANS, AS ONE VISITS SQUAW VALLEY, THE SITE OF THE 1960 WINTER OLYMPICS, ONE WONDER'S HOW SQUAW VALLEY GOT ITS NAME!

SKI FASHION ALSO BY MARIANNA LECCACORVI

TODAY AS YOU VISIT THE BEAUTIFUL SQUAW VALLEY INN OR QUANT SQUAW VALLEY LODGE, YOU STILL MIGHT EXPECT TO SEE A SQUAW SOMEWHERE!

OTHER THAN ON A PICTURE POSTCARD TO SEND TO YOUR FRIENDS!

BUT I'M AFRAID THE BEAUTIFUL SQUAWS ON THE POSTCARDS WERE A FAR CRY FROM THE SQUAWS THAT CAME TO SQUAW VALLEY MANY YEARS AGO!

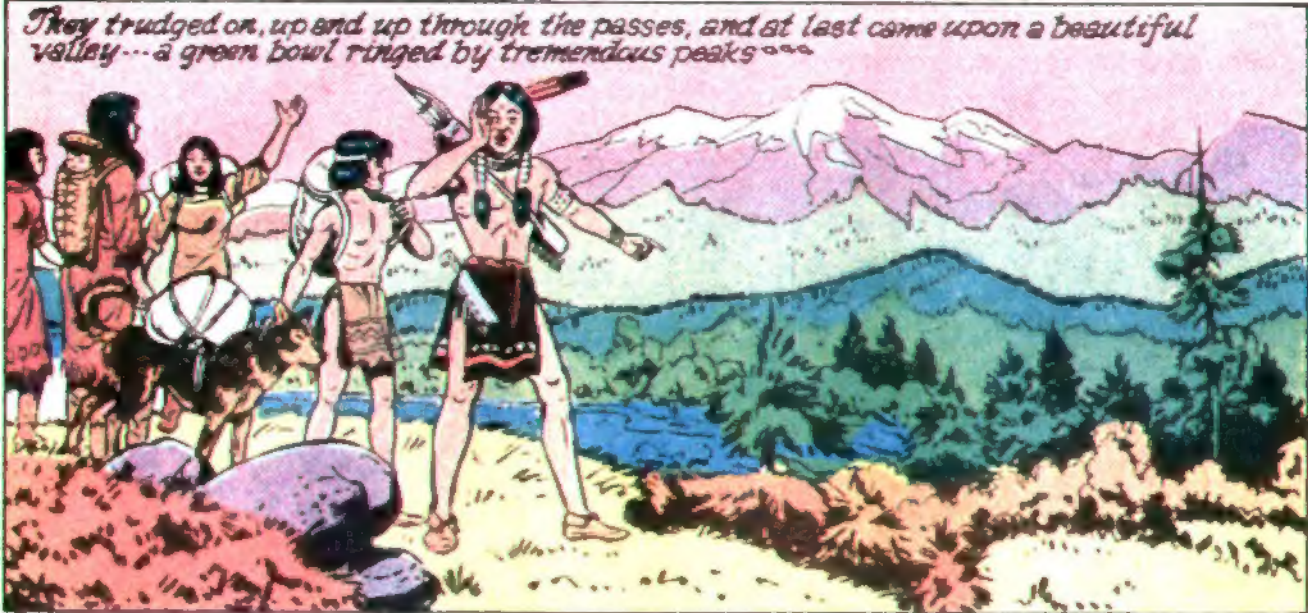

13 centuries ago, about 500 A.D., the peaceful Washoe Indians left their hunting grounds and fled westward, driven by their enemies, the fierce Paiutes.

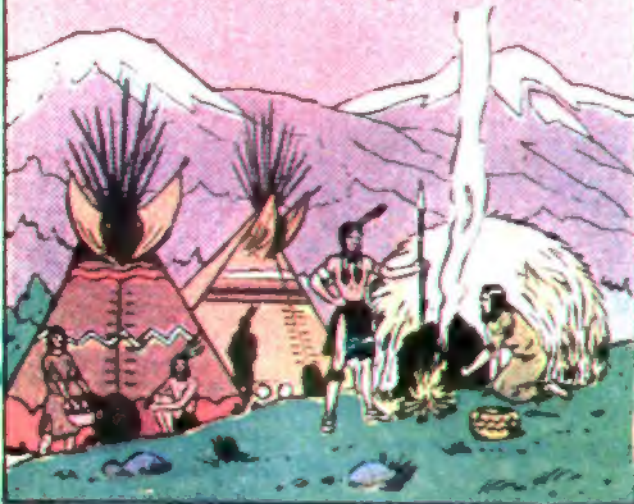

In all America, there were no horses --- only dogs and weary backs to carry the loads --- It was a desperate, hungry journey, and before them was a vast, snow-capped range towering to the sky... the Sierra Nevada ---

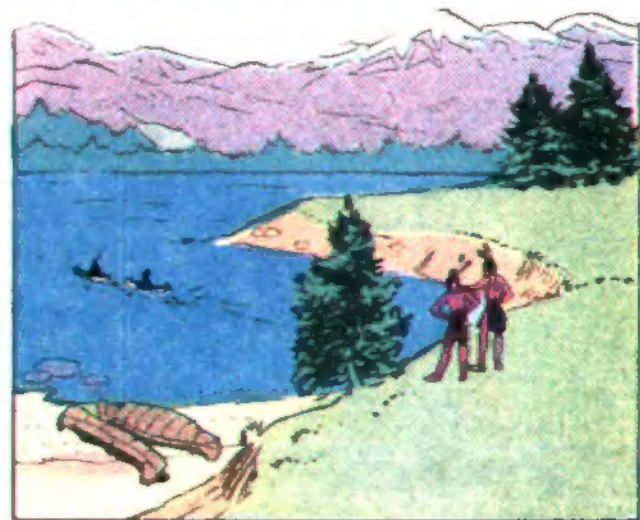

*Here was everything they needed... food, good water, and a place to hide... soon the huts and skin lodges were set up...*

*Not far away was beautiful Lake Tahoe, set like a blue jewel in the mountains...*

*In the valley were edible roots and grasses, berries, and small game...*

*Deer, elk, bear, fox, marten, abounded in the surrounding mountains...*

*The hunters went on long trips into the surrounding mountains...*

INDIAN SQUAWS AT PLAY by LYNNE ZAZZAR

*Many a young squaw waited in the valley, dreaming of her brave's return...*

*But, waiting in their sheltered valley, the squaws had little time for loveliness... there was fuel to gather, skins to dress, acorns to grind... and games to play...*

*And when the braves returned, what feasting and dancing!*

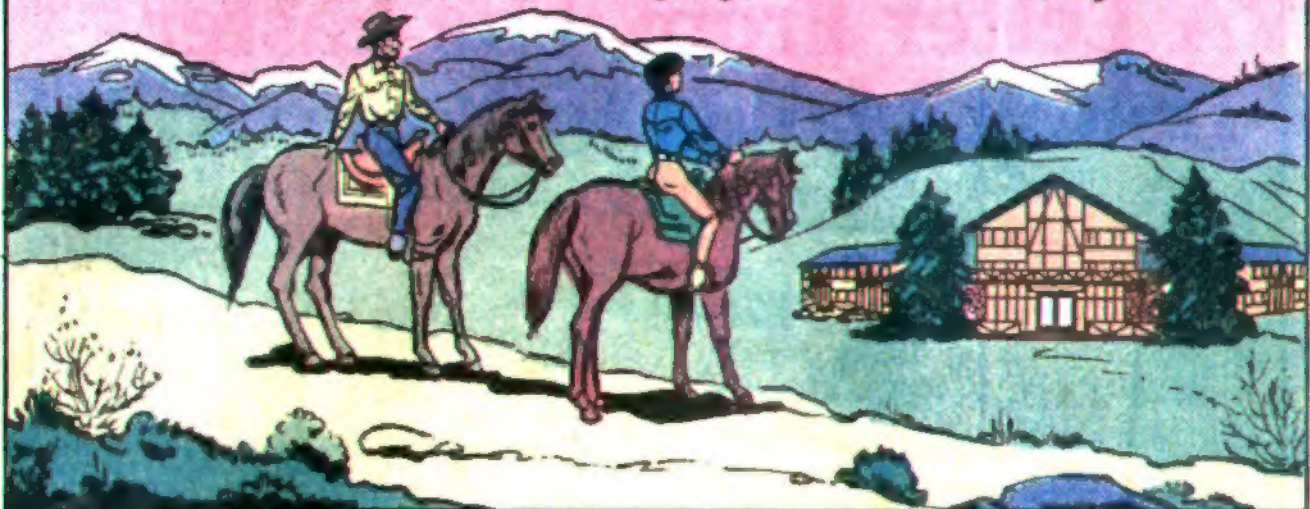

*Each winter, snow piled many feet deep and the Washoes were forced to leave... but each spring they came back to their valley paradise...*

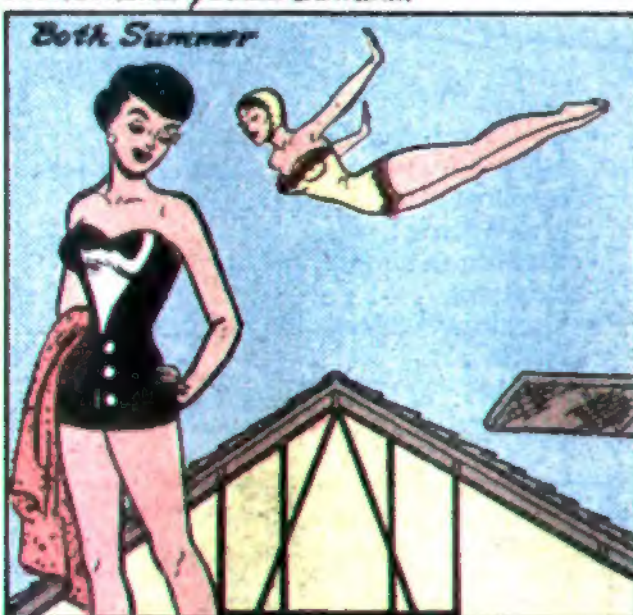

Now, 1300 years later, the Washoes and their teepees are gone... In their place are beautiful inns and lodges, golf courses, tennis courts, swimming pools, riding trails, ice rinks, famous ski runs, and laughing people who come to play...
